**The Ultimate Tribute to the Stars**  
Featuring the World's Top Tribute Artists  
Rock, Pop, Country and much more

**SUPERSTARS LIVE IN CONCERT** recreates legendary performances of the biggest stars in the music business with the top tribute artists from around the world. Spanning 7 decades of music, our SUPERSTARS look and sound just like the real thing. Together with the talented SUPERSTARS LIVE singers and dancers in colorful costumes accompanied by the ALL STAR BAND, and a celebration of the American Spirit in a patriotic finale, this show has it all. There will be at least 5 tribute artists in each show. In extended run shows acts can change periodically to keep the show "new" and encourage return visits.
